Visa to Russia

Prolight + Sound NAMM 2019
NAMM Musikmesse 2019

For your stay in Russia you need a VISA.

Please do not forget to apply for it to the Russian Consulate early enough.

For the application you need:

▪ Valid passport (validity minimum 6 months left)
▪ 3 passport photos
▪ Consulate application form
▪ Invitation and voucher from our partner DEMLINK

Please note fair participants are supposed to have business visas only while traveling on business purposes. We offer one month business invitations for exhibitors which are available for the price of 30-130 Euro.

In addition to personal data (See Invitation for a visa, FORM 5.1) you should send us the copy of the 1st page of the passport at least 45 days before the date of issue a visa. After you receive the invitation from Demlink you should apply for a visa in the nearest Russian Consulate in your country. For this you should go to the Consulate with our invitation and passport.

It takes 21 calendar days to make the official invitation to Russia in the local Department of the Passport & Visa Service (PVU) of the Russian International Ministry. This is why it is very important to send us your application forms no later than 45 days before arrival. Otherwise we could not guarantee you will grant a visa in the Russian Consulate.

Should you have any questions please do not hesitate to contact DEMLINK.
